TAKE YOUR JOURNAL WITH YOU so you are prepared to capture ideas anytime and anywhere! Always search for clues to learn more about what you SEE, HEAR, FEEL and SMELL.

Put your imagination and curiosity to work and you will be surprised at all your new ideas. Here are some fun things you can do as you travel through this creative writing journal.

- ✓ Daily events and memories
- ✓ Drawings, and art activities
- ✓ Discoveries
- ✓ Poems, stories, create characters
- ✓ Maps and treasure boxes

Let your imagination go! Use this journal to inspire you to draw, write a story or a poem, create an art project or collect something for your Treasure Box. You will find blank pages in the back of this book to provide more writing and drawing space.

What is your favorite color? Collect as many items as you can in your favorite color. Put everything you collected in your Treasure Box. Be sure to draw pictures of one or two things you found on this page.

CREATE AN ORIGIN STORY about the creatures named below or think of your favorite animal and tell that story. An origin story tells how something was made, or how an animal got its name or special markings on its body.

- * Bumblebee got its buzz,
- * Tiger got its stripes,
- * Giraffe got its long neck
- * Porcupine got its quills
- * Skunk got its smell

IMAGINE you found buried treasure in your backyard or at your neighborhood park.

- * List all the items in your treasure chest.
- * Next draw the treasure map you used to find it.
